Welcome to Unity College!

It gives me immense pleasure to welcome all the new students, student-teachers of under-graduate and post graduate to this prestigious College. Located at the heart of the Dimapur city, the college is accessible to all, resourceful and second to none in delivering excellent holistic development for the students. We have experienced and highly qualified faculty to meet the students' academic aspirations and to guide them in their future endeavors.

Unity College is NAAC accredited with 'B' Grade. The institution has the required facilities like student friendly classrooms with well equipped library, academic oriented activities such as exposure trips, departmental activities, cultural experiences and competitive atmosphere to keep the students motivated. Students have been doing well in every field, bringing fame and laurels through their quest to do well during their academic pursuance here.

The college offers safe and secure atmosphere at all times with plenty of excitement, discoveries and positive interactions. The designs of the curriculum provide complete continuity of learning, preparing them fully for opportunities to embrace the world.

I welcome all the students who look forward to pursue their academic excellence from Unity College. We are all here and ready to guide and assist you in achieving your goals and make your dream come true.

Dr. Lichumo Enie
Principal, Unity College.

About Unity College

Established in 2007 by the Amity Welfare Society, Unity College is committed to fostering quality higher education that develops proactive, responsible, and productive citizens. The college's vision emphasizes delivering education to national and international standards, empowering students through university curricula that build essential life skills, employability, discipline, and dedication. Its mission focuses on holistic student development—promoting self-reliance, resilience, values, and professional excellence within a learning environment that balances competence and social responsibility.

ACADEMIC PROGRAMS

Unity College offers a range of Undergraduate and Postgraduate programs:

- **Bachelor of Arts (BA):** Major in English, History, Sociology, Education, Economics, and Political Science.
- **Bachelor of Commerce (B.Com):** Major in Accounting.
- **Bachelor Science (B.Sc.) in Environmental Science**
- **Bachelor in Computer Applications**
- **Bachelor in Education (B.Ed.)**
- **Bachelor of Business Administration** (*Subject to approval*)
- **Postgraduate:** Commerce, Education, History, Political Science and Sociology.

RECOGNITIONS AND AFFILIATIONS

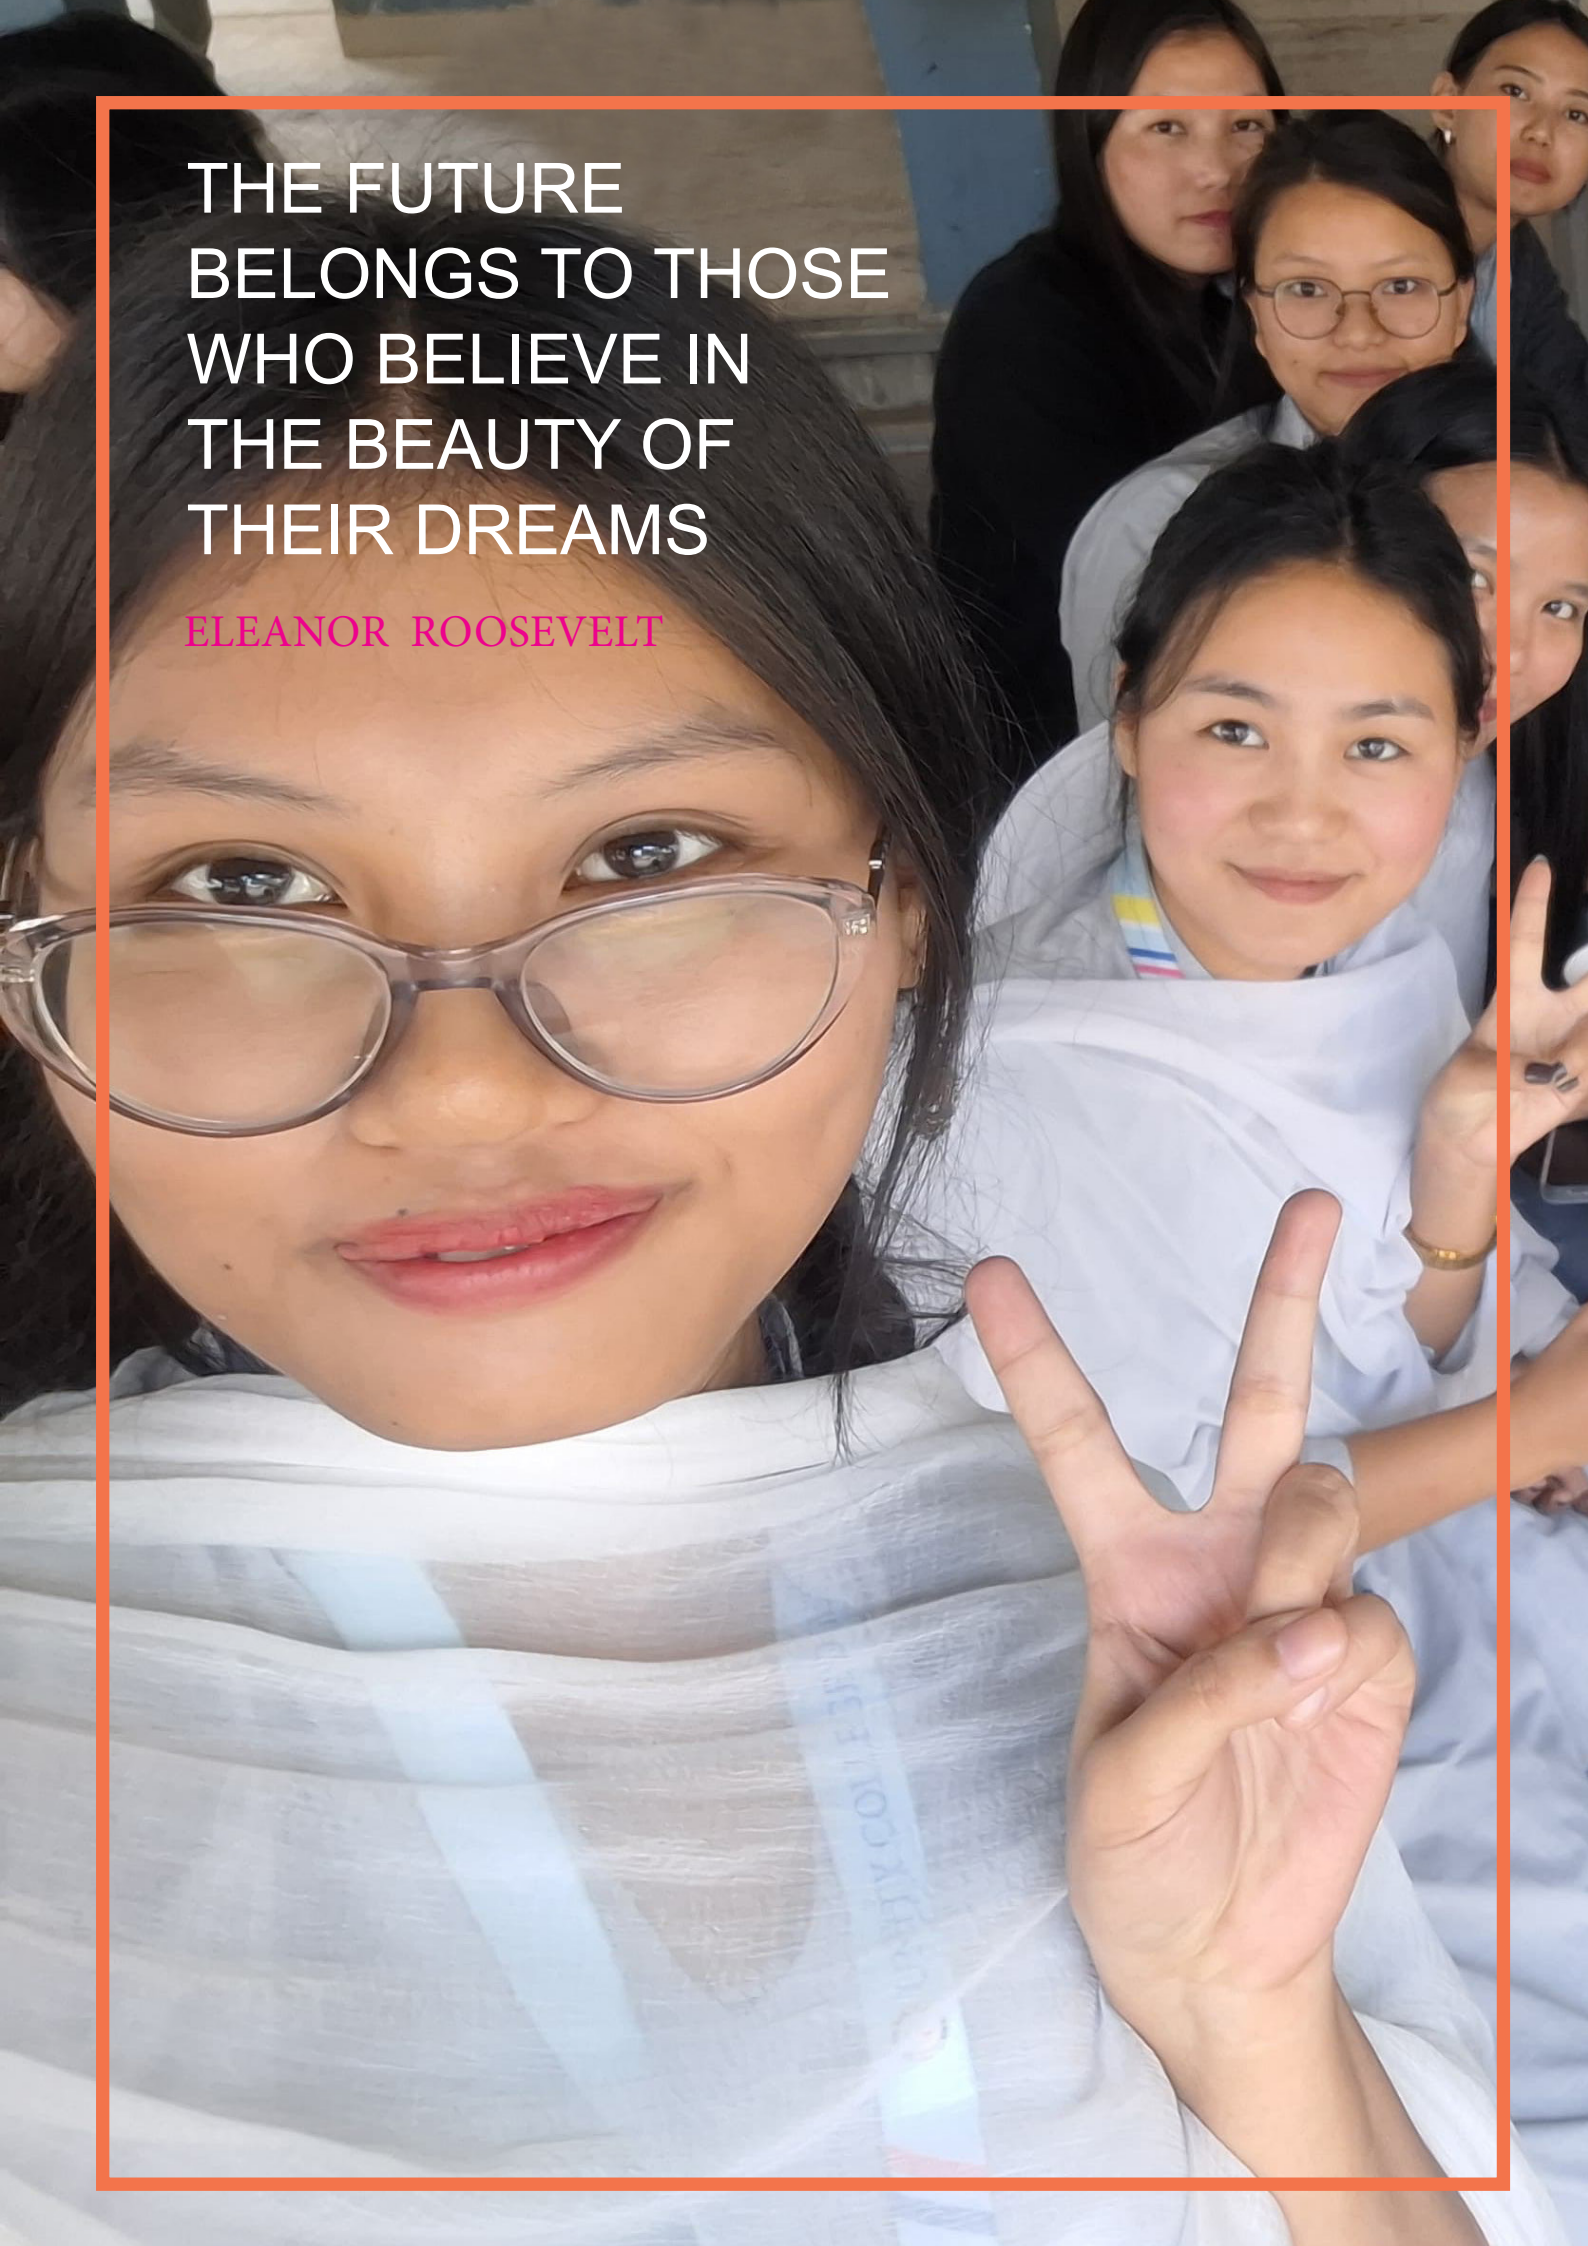

The college is recognized by the Government of Nagaland (No. HTE/5-3/2002, dated December 11, 2007) and permanently affiliated with Nagaland University (No. NU-CDC/C-52-2007-2801, dated September 12, 2012). It holds UGC recognition under Sections 2(f) and 12B of the UGC Act 1956, and AICTE recognition. NAAC 'B' Grade accreditation (2021).

LOCATION

Nestled in a spacious, serene environment ideal for learning, Unity College is situated at Residency Colony, PWD Area, Dimapur, Nagaland.

Why Choose Higher Education at Unity College?

HIGH QUALITY LEARNING AND TEACHING

We take pride in our highly qualified teaching and assessment staff, who bring successful academic and vocational backgrounds to the classroom. Our faculty is committed to continuous professional development, ensuring they stay current with evolving expertise and best practices.

We champion active learning that challenges students while building independent skills and critical thinking. Regular assessments track your progress, with timely feedback to support your growth and success.

RESOURCES AND FACILITIES

We prioritize high-quality teaching and learning resources through continuous investment in modern infrastructure. Our facilities include a new academic building, a state-of-the-art learning resource center, cafeteria, and additional amenities.

TOP QUALITY SUPPORT

Every student is assigned a dedicated mentor for regular one-on-one or group meetings to monitor progress, set academic targets, and address support needs.

ENRICHMENT ACTIVITIES

While we expect punctuality, regular attendance, and diligent effort, Unity College balances academics with fun. Students enjoy trips, extracurricular clubs, and diverse enrichment opportunities.

STRONG PROGRESSION OUTCOMES

Our students consistently secure admissions to leading universities nationwide and demonstrate excellent success in employment and further studies.

EXPERT COURSE GUIDANCE

We match students to the right programs through detailed pre-course interviews and comprehensive induction programs. Course transfers are possible if a different subject or level proves more suitable after commencement.

CULTURE OF RESPECT

Faculty treat all learners with respect and maturity—a quality consistently highlighted by students as essential to their positive college experience.

INDUSTRY PARTNERSHIPS

Unity College maintains strong ties with external organizations, providing students with relevant skills, practical experience, and workplace expertise. Our graduates enter careers fully equipped for success across industries.

CURRICULUM AND CREDIT FRAMEWORK UNDERGRADUATE PROGRAMMES (NEP-2020)

Under the Four-Year Undergraduate Programme (FYUGP) of Nagaland University, the subject combination framework is designed to promote academic flexibility, interdisciplinary learning, and skill enhancement. Students are offered a Major discipline along with options for Minor subjects, enabling a broad-based and holistic education. In addition to core academic courses, the curriculum integrates Ability Enhancement Courses (AEC), Skill Enhancement Courses (SEC), and Value-Added Courses (VAC) in line with NEP 2020 guidelines.

As part of the AEC component, the institution offers Modern Indian Languages (MIL) such as Lotha and Hindi, which aim to strengthen linguistic proficiency, cultural awareness, and communication skills. Additionally, students have the option to enroll in SWAYAM courses, allowing them to access a diverse range of online learning modules approved by national agencies. This blended approach ensures that learners benefit from both classroom instruction and digital platforms, thereby enhancing their academic and professional competencies.

Eligibility Criteria

- Senior Secondary School Leaving Certificate or Higher Secondary (12th Grade) Certificate
- Successful completion of Grade 12 (equivalent to Level-4 of National Credit Framework)
- As per Nagaland University admission guidelines

Programme Duration & Exit Options

The UG programme spans **4 years (8 semesters)** with flexible exit options:

Exit Point	Qualification	Credits Required	Re-entry Option
End of Year 1	UG Certificate	As prescribed	Yes (within 3 yrs)
End of Year 2	UG Diploma	As prescribed	Yes (within 3 yrs)
End of Year 3	3-Year UG Degree	As prescribed	N/A
End of Year 4	4-Year UG Honours	As prescribed	N/A

Maximum Duration: 7 years (including permitted breaks)

Academic Flexibility

- Students may take academic breaks during the programme
- Total completion time shall not exceed 7 years from initial enrollment
- Exit students can re-join within 3 years to complete their degree

For more information about the Four Year Undergraduate Programme, kindly check the college website.

ADMISSION

Easy Admission Process

Applying to Unity College is simple. Our dedicated admissions team provides comprehensive guidance throughout the process to help you select the right course for your career goals.

Admission Procedure

1. **Complete the Application Form** fully and accurately
2. **Submit to College Office** along with required documents **before the admission deadline**
3. **Admission is strictly merit-based**

Required Documents (Two attested photocopies each):

- HSLC & HSSLC Pass Certificates

- **Late payments** will attract penalty fines

Nagaland University provides equal educational opportunities to all qualified candidates who meet admission requirements. Eligible students from **Major streams** (internal or external quota) receive preference over General stream applicants.

B.Ed. PROGRAMME

PROGRAMME OVERVIEW

The B.Ed. programme is a two-year professional course designed to prepare teachers for upper primary, middle (Classes VI-VIII), and secondary (Classes IX-XII) levels. It develops essential teaching knowledge, attitudes, skills, educational evaluation expertise, and school management understanding for effective classroom teaching.

COURSES OFFERED

Bachelor of Education (B.Ed.) Programme

- **Duration:** 2 academic years
- **Intake:** 100 students per academic year

B.Ed. REGULAR COURSE (2-YEAR) ADMISSION PROCESS

Eligible candidates must apply online via the Nagaland University website:

<http://nagalanduniversity.ac.in/English/> or <https://admission.nagalanduniversity.ac.in/>.

- Admission is granted to selected candidates upon receiving the seat allotment letter or after the allotment list is uploaded on the university website.
- Prospectus and application forms are available at the college office.
- Complete and sign the application form fully; incomplete forms will be rejected.
- Submit the form with the following required documents:
 1. Photocopy of **HSLC marksheet, admit card, and pass certificate** (showing date of birth).
 2. Photocopy of **HSSLC marksheet, admit card, and pass certificate**.
 3. Photocopy of **marksheet, admit card, and pass certificate** of your most recent **degree**.
 4. Photocopy of Nagaland University **Registration Card**, or original **Migration Certificate** (for candidates from other universities).
 5. Photocopy of **SC/ST/OBC/EWS Certificate** (if applicable).
 6. Photocopy of **Person with Disability Certificate** from competent authority (if applicable).
 7. Photocopy of **Indigenous Certificate** (if applicable).
 8. Photocopy of **Aadhaar Card**.
 9. Two (2) recent **color passport-size photographs**.

ELIGIBILITY CRITERIA FOR B.Ed. ADMISSION

Eligibility follows the latest NCTE (New Delhi) guidelines:

- Candidates must be graduates from any recognized Indian university.
- Minimum 50% marks in Bachelor's degree, Master's degree, or equivalent qualification.
- 5% relaxation for SC/ST/OBC (i.e., 45% for SC/ST/PWD and other reserved categories as per Nagaland Government laws).
- Engineering/Technology graduates with 55% marks (or equivalent) and Mathematics, Physics, or Chemistry as special subjects are eligible for Mathematics/Science pedagogy.
- Final-semester UG candidates may apply but must submit final marksheet meeting the percentage criteria at counselling for admission.

- Candidates with less than 50% (or 45% for reserved) at UG level are eligible if they have 50% or equivalent in PG or UGC-recognized equivalent degree.
- No Rounding off: 44.5–44.9% ≠ 45%; 49.5–49.9% ≠ 50%; 54.5–54.9% ≠ 55%. Must meet exact minimum or higher.
- Degree must include one major school teaching subject and one minor school teaching subject (different from major).
- Original Migration Certificate from the respective university required at admission.

RULES AND REGULATIONS

Induction cum Orientation Programme Rules

The Induction cum Orientation Programme follows the college's academic calendar and is mandatory for all student-teachers.

- **Attendance Requirements**
Attend classes starting on the college's opening day. Maintain at least 80% attendance; those below this threshold cannot sit for final examinations.
- **Participation Mandates**
Fully engage in practical activities, workshops, assignments, and club events. Failure to do so results in debarment from the course.
- **Internal Assessment Criteria**
Evaluations draw from attendance, activity/workshop participation, club involvement, assignments, mid-term exams, and pre-semester exams.
- **Prohibited Behaviors**
No smoking, alcohol consumption, or tobacco use anywhere on or near campus.
- **In-Service Student-Teachers**
Arrange to be fully relieved from regular teaching duties for complete focus. Resolve personal matters before the programme begins.
- **Dress Code**
Adhere to the prescribed dress code at all times.
- **Fee Policy**
All paid fees are non-refundable.

ELIGIBILITY CRITERIA FOR CHOOSING OF PEDAGOGY SUBJECT

- 1. Mathematics Pedagogy:** Candidates with B.A./B.Sc. in Mathematics or B.C.A. with Mathematics at intermediate level or B.Tech. with Mathematics & Physics comes under Mathematics Pedagogy.
- 2. Science Pedagogy:** Candidates with B.Sc./B.Sc. (Home Science) who have studied Botany and Zoology or Allied Life Sciences or B.C.A. or Candidates with Biological Sciences at intermediate level or Candidates with B.Sc. who have studied Physics and Chemistry or Allied Material Science or B.C.A. candidates with Physical Sciences (Physics and Chemistry) at intermediate level come under Science Pedagogy.
- 3. Social Science Pedagogy:** Candidates with B.A. (General, History, Political Science, Economics, Geography and other than English) are eligible. Candidates with B.A./B.Com./B.B.M. or B.C.A. with Social Sciences at the intermediate level will come under Social Science Pedagogy.
- 4. English Pedagogy:** Candidates with B.A. or M.A. in English/Special English/Alternative English comes under English Pedagogy.

ATTENDANCE AND LEAVE POLICY

The minimum attendance of Student-Teachers shall have to be 80% for all course work and 90% for EPC, School Internship and all activities failing which the discontinuance of the course will be attracted. Student-Teacher who fails to attend his/her classes over a certain period of time at a stretch on a reasonable and acceptable ground (such as accidents and its related treatments, serious diseases or death of near and dear ones) must apply immediately to the principal for consideration or examination of the absence for the period. Attendance and participation in all the practical works, seminars, curricular, co-curricular activities, etc. will be taken into account regularly for the continuous and comprehensive evaluation related to internal assessment. Attendance is recorded through Biometric.

1. Student-Teachers are permitted a maximum of 3 (Three) days of leave of absence for non-medical reasons in a given Semester. Leave should be obtained in advance by the Student-Teacher.
2. In special cases, a maximum of 7 (Seven) days of leave of absence shall be permitted with prior approval from the Principal. Leave for weddings of immediate family can be granted for 3 (Three) days but on producing of wedding card. In cases of weddings outside the state of Nagaland, not more than 7 days leave shall be granted. Such leaves should be granted by the Principal of the college in advance.
3. Further, only 1 (one) half-day leave shall be entertained on reasonable grounds in a given Semester.
4. Notwithstanding the above, a Student-Teacher can avail leave on medical grounds provided that a medical certificate/prescription is obtained from registered medical practitioner for the entire period, and at the same time, such medical certificate/prescription is counter-signed by the Parents/Guardians. However, leave on medical grounds should not exceed more than 15 (Fifteen) days including Saturdays and Sundays.
5. Student-Teachers who miss classes for 45 days (working days) due to medical reasons will be asked to take a Semester break.
6. Parents/Guardians should intimate to the College Authority for leave when a Student-Teacher is absent and undergoing medical treatment within/outside the state.
7. Leave for events will be granted for those Student-Teachers who are taking part in National/State/District/University/Inter-College levels only.
8. Prolonged absence of a Student-Teacher for consecutive 10 (Ten) days without leave will lead to termination or suspension of the admission of the Student-Teacher in the college.
9. Attendance will be taken twice in a day from biometric on any activity and after the end of the activity all the attendance records will be handed over to the principal.
10. A fine of ₹ 500/- will be imposed if a Student-Teacher is absent in any activity without prior permission of the Principal.

ASSESSMENTS

Alongside the Nagaland University End Semester University Examinations, the college also conducts Internal Assessments in the form of Mid-Term Exam, Pre-Semester Exam, Assignments, Projects, Presentations, Activities, Seminars, Journals, Observations and other related activities.

Minimum of 20 weeks (4+16) shall be allocated over the two years for task, assignments and school internship. School internship will be taken in four phases:

1. Pre-Internship: 2 weeks in the 1st Semester, 2 weeks in the 2nd Semester
2. Internship
3. Post-Internship
4. Final Practice Teaching.

1. PRE-INTERNSHIP:

It involves the following activities for a period of four (4) weeks in the first year (2 weeks in the 1st Semester, 2 weeks in the 2nd Semester). All the pre-Internship activities will cover 50 marks.

- Observation of the real classroom situation (Minimum of 2 Schools-Private/Government, Different Boards eg. NBSE/CBSE, Rural/ Urban) and the whole school environment. Before teaching in the classroom, the student-teacher will observe a regular classroom in the school for a week, to understand the school in totality, its philosophy and aims, organization and management, need of children curriculum and its transaction, assessment of teaching and learning.
- Peer group discussion.
- Preparing a feedback and suggestion based on the observation of the real classroom situation and the whole school environment.
- Sample demonstration/viewing different classroom situation.
- Input from teacher educators
- Context analysis and reflection (JNV, KV, Ekavya)

2. INTERNSHIP AT SCHOOL (Internship duration will be 10 weeks for 100 marks):

During internship a student-teacher shall work as a regular teacher and participate in all the school activities, scholastic, including planning, teaching and assessment, interacting with school teachers, community members, parents and children.

Reflective journals and reports to be maintained during the internship period (A minimum of 50 classes).

3. POST-INTERNSHIP:

Post internship duration will be of 4 weeks (one month) for 50 marks. It involves the following activities.

- Writing reflective journals or reports on the whole school internship programme of 20 weeks.
- Extended discussion among the student-teacher.
- Presentations by student-teachers on different aspects of the teaching experiences after the internship.

4. FINAL PRACTICE TEACHING DURATION TWO WEEKS FOR 50 MARKS:

During the internship programme, four classes will be observed by the concerned supervisor/ teacher educator for final evaluation and assessment. 50 marks will be evaluated by a committee and another 50 by the supervisor.

MASTERS PROGRAMMES

COURSES OFFERED

- **M.A. Education**

Services and Facilities

LIBRARY:

Your Gateway to Academic Excellence

Step into the heart of learning at Unity College's state-of-the-art library. It offers outstanding information services, premium resources, and inviting spaces that fuel both individual and group study—whether you're on campus or connecting remotely. Dive into an extensive collection of print books, e-resources, and audiovisual materials tailored to every research need.

Friendly, skilled librarians provide personalized guidance, helping you source materials, evaluate sources, and master search strategies. Our user-friendly online catalogue lets you explore from anywhere, anytime. Engage further with exclusive publications like our prestigious Journal of Humanities and Social Science and the vibrant annual Nurture college magazine.

Elevate your academic journey in this welcoming environment designed for success!

WI-FI CAMPUS:

Seamless Connectivity for the Modern Learner

At Unity College, we embrace the tech-savvy, mobile lifestyle of today's students. Smartphones and laptops have become essential everyday tools, demanding constant internet access for learning, collaboration, and innovation. That's why our entire campus is blanketed in high-speed Wi-Fi, ensuring you're always connected—whether in classrooms, the library, hostels, or outdoor spaces.

Stay productive, access resources instantly, and thrive in a digitally empowered environment designed for your success.

SPORTS FACILITIES:

Fuel Your Passion, Build Your Spirit

Unity College boasts a spacious playground perfect for outdoor thrills like basketball, volleyball, badminton, and more, alongside dedicated spaces for indoor games. We cultivate teamwork and fitness through our annual College Sports Week, igniting competitive spirit and sportsmanship across campus.

Join a vibrant community where physical excellence complements academic growth—play, compete, and excel!

POWER BACKUP

The College ensures uninterrupted academic functioning through a reliable 24-hour power backup system. To prevent disruptions during frequent power outages, the campus is equipped with two generators with capacities of 125 kVA and 30 kVA, ensuring continuous electricity supply for classrooms and essential facilities.

CAFETERIA

The Unity College Cafeteria is committed to providing wholesome, hygienic, and affordable meals to students. Recognising the importance of good food in student life—especially for those experiencing independence for the first time—the cafeteria offers a diverse and carefully curated menu catering to varied tastes and budgets.

GIRLS' HOSTEL

Understanding that many students experience a sense of transition when moving away from home, the College strives to provide a supportive, safe, and comfortable living environment. The Girls' Hostel, located within the campus, offers well-furnished, spacious, and well-ventilated rooms along with essential amenities. The hostel has an in-house mess that serves nutritious and hygienic meals. Students are under the care and supervision of a dedicated warden, ensuring round-the-clock safety and discipline. Hostel accommodation is allotted on a first-come, first-served basis.

COMPUTER RESOURCE CENTER

Unity College recognizes that today's students are increasingly sophisticated and tech-savvy, relying on smartphones and laptops as essential daily tools. To maximize their potential, seamless internet connectivity is vital—hence our state-of-the-art Computer Resource Center equipped with 100 high-performance computers and comprehensive wireless access throughout campus. This facility empowers students to connect, collaborate, and innovate without limitations, bridging personal devices with institutional resources for academic excellence.

CONFERENCE ROOM

Unity College has a well-equipped air conditioned Conference Room installed with WiFi and a projector for conducting official meetings for the Staff, Students, Clubs, etc.

CCTV SURVEILLANCE

To ensure a secure campus environment, the College has installed a comprehensive Closed-Circuit Television (CCTV) system. Cameras are strategically placed across the campus, with live feeds monitored from the Administrative Block. All footage is recorded and securely archived, enabling review and playback when required, thereby enhancing safety and accountability.

TRANSPORTATION SERVICE

The College provides a well-organised transportation service for students and staff. This includes transport for academic and administrative purposes, college-sponsored activities, cultural events, and official visits. In addition, the service facilitates daily commuting for students between the campus and designated residential locations, ensuring convenience and safety.

ELEVATOR

Unity College is equipped with a modern elevator system to ensure easy and convenient access to all floors of the campus building. This facility is designed to support students, faculty, staff, and visitors, including those with mobility challenges.

SEMINAR HALLS

Unity College has a fully air-conditioned Seminar hall installed with WiFi and with sufficient sitting area and well-furnished equipment along with stage for multi-purpose programs.

Co-Curricular Activities

MENTOR-MENTEE PROGRAM

We have our faculty as Mentor to students providing support across the college. The Mentor helps students settle into College life and support them throughout their time at College. Students will be assigned a personal Mentor who will guide them. The Mentor offers objective and confidential advice, no matter how big or small the problem may seem. Mentors are usually the first point of contact should students have any safeguarding issues.

EDUCATIONAL TOURS

Various Departments in the college arrange Educational Tours, Industrial Visits for their students in order to instill practical application of the knowledge learned during formal education. This widens the horizon of our students, giving them an opportunity to see the application of theoretical tenets in some cases or gauge how reality may actually be different from bookish knowledge.

WHEN YOU BECOME A STUDENT AT UNITY COLLEGE, YOU MIGHT WANT TO START THINKING ABOUT WHAT CLUBS AND SOCIETIES YOU'D LIKE TO JOIN. WITH SO MANY TO CHOOSE FROM, THERE'S BOUND TO BE SOMETHING THAT SPARKS YOUR INTEREST:

Red Ribbon Club:*Empowering Youth for Healthy Lives*

Unity College's Red Ribbon Club, a Government of India initiative, inspires students to embrace service, healthy lifestyles, and blood donation awareness. It equips youth with vital knowledge on mental health, substance abuse, nutrition, and reproductive health, while training peer educators to promote positive behaviors. Members lead impactful HIV/AIDS awareness programs aligned with national and state efforts.

**Drama Club:***Spotlight on Hidden Talent*

Initiated by the Department of English in 2015, the Drama Club reveals students' dramatic genius in a supportive space. It stages one play per semester, delighting students, faculty, and administration with creative storytelling.

Eco Club:*Champions of Environmental Stewardship*

Launched to deepen understanding of human-environment interactions, the Unity College Eco Club drives hands-on activities for protection and awareness. It builds skills among all societal sections, delivering creative environmental education—especially to the younger generation—to foster sustainable mindsets.

Music Club:*Unleash Your Inner Melody Maker*

The Music Club nurtures young enthusiasts, offering a stage to express through melodies and chords. In a world that listens when words meet tune, it uncovers the inner virtuosos—think Jason Becker or Janis Joplin—within every student.

Dance Club:*Ignite Confidence Through Rhythm*

Established on May 1, 2019, the Dance Club—with over 100 members—boosts confidence, showcases talent, and builds team spirit across genres. As a holistic escape for mind, body, and soul, it unites performers who captivate audiences at events like Freshers' Meet and Unity College Sports Week.

Photography Club:*Capture Moments, Hone Your Craft*

Formed in 2019, the Photography Club connects passion-driven students to share, learn, and refine skills. From documenting college events to competing at state levels and hosting contests, its lens preserves memories and sparks creativity.

Placement and Career Counseling Cell

Recognising the importance of career guidance, the Placement and Career Counseling Cell at Unity College actively collaborates with reputed institutions, agencies, and universities to support students in their career development. The Cell provides a platform for students to explore diverse career opportunities, identify their strengths, and enhance their employability.

Regular activities include Job Fairs, Education Fairs, seminars, interactive skill development training programmes, and career guidance sessions. The Cell plays a vital role in broadening students' perspectives and equipping them with the skills and knowledge required for successful career pathways.

Student Counseling Center

The Student Counseling Center is dedicated to promoting the mental health and overall well-being of students. Acknowledging the challenges of college life, the Center provides a safe, confidential, and supportive environment to help students navigate personal and academic concerns.

Staffed by qualified and experienced mental health professionals, the Center offers guidance and counseling tailored to the needs of young adults. Students are encouraged to seek support whenever needed, as the College remains committed to their holistic development and well-being.

National Cadet Corps (NCC)

National Service Scheme (NSS)

Unity College hosts a unit of the National Service Scheme (NSS), aimed at fostering social responsibility and community engagement among students. NSS encourages active participation in nation-building through meaningful service initiatives.

The unit regularly organises activities such as blood donation drives, campus cleanliness campaigns, and community outreach programmes, contributing to the development of socially conscious and responsible citizens.

The National Cadet Corps (NCC) at Unity College is a voluntary organisation that provides structured training to develop discipline, leadership, and a spirit of service among students. Guided by the motto "Unity and Discipline," NCC instills values of character, teamwork, and patriotism.

The College has a Senior Division Infantry Wing under the supervision of a trained Pre-Commissioned Officer. Cadets, including girl cadets, have opportunities to participate in various camps such as ATC, RDC, BLC, ALC, and mountaineering expeditions, as well as state and national-level programmes.

Yi Yuva

Unity College is proudly associated with Yi Yuva, an initiative of Young Indians that focuses on leadership development, community engagement, and nation-building among students.

Yi Yuva connects students to larger societal goals, encouraging them to actively participate in initiatives that contribute to community development and foster responsible citizenship.

IGNOU Study Centre (2030)

The College hosts Study Centre 2030 of the Indira Gandhi National Open University (IGNOU), offering a range of Postgraduate Diploma programmes in disciplines such as Commerce, English, Political Science, History, and Sociology.

The Centre enables students to pursue higher education alongside their undergraduate studies,

Vocational Courses

In collaboration with NCVRT, the College offers specially designed vocational training programmes aimed at enhancing students' employability. These courses focus on sectors such as Information Technology, Banking, and Financial Services.

Spanning six semesters, the programmes integrate technical and soft skills training, preparing students for industry requirements and facilitating job placement opportunities upon completion.

Students' Council

The Students' Council serves as the representative body of the student community, promoting social, cultural, and leadership development. It provides students with opportunities to engage in governance, develop civic responsibility, and enhance interpersonal skills.

Alumni Association

The College Alumni association has always been a source of support and inspiration for the students and the staff of this college.

The alumni always come back to the institution to contribute in various ways. They often guide the current students and share their experiences in the academics (by orienting and teaching them or donating their books and other materials), cultural and sports events.

After Graduation students are encouraged to be a part of the Alumni Association. This is to create and maintain a lifelong connection between the College and its alumni.

Welcome to Unity College: A Partner in Your Child's Future

When your son or daughter joins Unity College—one of Nagaland's leading institutions—you can trust they're making a life-changing choice. We recognize the pivotal decisions after school and ease the transition with smooth, supportive processes for both students and families.

WORKING TOGETHER FOR SUCCESS

Your child's greatest potential unfolds through our partnership with parents. Contact their teacher anytime to discuss progress or concerns; course tutors will reach out proactively. We encourage all students to involve parents actively in their college journey, fostering open communication at every stage.

A SAFE AND SECURE ENVIRONMENT

Unity College celebrates diversity, welcoming students from all backgrounds where everyone is valued as an individual. Committed to unlocking potential regardless of gender, disability, faith, ethnicity, or age, we maintain an Anti-Ragging Cell to uphold equality. We also build ties with external agencies and community groups for holistic growth.

OUR COMMITMENT TO PARENTS

We provide a safe, stimulating, and caring space tailored to your child's needs. Learning happens in organized, supportive ways with regular updates via reports and teacher meetings, ensuring you stay connected to their achievements.

ATTENDANCE AND PUNCTUALITY: FOUNDATIONS OF ACHIEVEMENT

Regular attendance and punctuality drive high performance, maximizing essential learning and social opportunities. These habits prepare students for careers ahead. We follow up on unexplained absences or lateness. Parents, support us by avoiding term-time trips, scheduling appointments outside hours, and sharing any challenges—like religious observances—that affect attendance.

EXPECTATIONS WHILE AT COLLEGE

We expect students to attend regularly and punctually, submit assignments on time, respect the community, prepare for activities, care for facilities, and notify staff in advance of any absence or delay with a valid reason.

HOW YOU CAN SUPPORT THEIR SUCCESS

Help your child thrive by ensuring regular, punctual attendance; sharing factors impacting their learning for quick support; discussing progress, joys, and concerns (ask for their course tutor's details); and tracking homework, deadlines, and exams to encourage fulfilment of requirements.
